(d) Hospitals/diagnostic centers empanelled under CGHS shall not charge more than the package rates/rates.

(e) Expenses on toiletries, cosmetics, telephone bills et. Are not reimbursable and are not included in package rates.

3. Package rates envisage duration of indoor treatment as follows :-

Upto 7 days: for other Major Surgeries.

Upto 3 days: for Laparoscopic surgeries/ normal deliveries.

1 day: for day care/Minor (OPD) surgeries.

No additional charge on account of extended period of stay shall be allowed if that extension is due to infection on the consequences of surgical procedure or due to any improper procedure and is not justified.

In case, there are no CGHS prescribed rates for any test/procedure, then AIIMS rates are applicable. If there are no AIIMS rates, then reimbursement is to be arrived at by calculating admissible amount item-wise (e.g. room rent, investigations, cost of medicines, procedure charges etc) as per approved rates/actuals, in case of investigations.

4. a) CGHS beneficiaries are entitled to facilities of private, semi-private or general ward depending on their basic pay/pension. The entitlement is as follows:-

S.No.	Basic Pay + Dearness Pay / Basic Pension + Dearness Pension	Entitlement
1.	Upto Rs.11,250/-	General Ward
2.	Rs.11,251/- to 15,750/-	Semi-Private Ward

c) It has now been decided that the CGHS pensioner, beneficiaries taking treatment in the empanelled hospitals will be entitled for treatment on credit and serving employees will be entitled for reimbursement after payment, as per the package rates/rates given on the web site at www.mohfw.nic.in/cghs.htm. The package rates prescribed are for semi-private ward. If the beneficiary is entitled for general ward there will be a decrease of 10% in the rates; for private ward entitlement there will be an increase of 15%. However, the rates shall be same for investigation irrespective of entitlement, whether the patient is admitted or not and the test, per-se, does not require admission.

5. A hospital/diagnostic centre empanelled under CGHS, whose rates for treatment procedure/test are lower than the CGHS prescribed rates shall change as per actual.

6. a) The maximum room rent for different categories would be :-

However, in case of an emergency when the entitled category accommodation is not available, admission in the immediate higher category may be allowed till the entitled category accommodation becomes available. However, if a particular hospital does not have the ward as per entitlement of beneficiary, then the hospital can only bill as per entitlement of the beneficiary even though the treatment was given in higher type of ward.

If, on the request of the beneficiary, treatment is provided in a higher category of ward, then the expenditure over and above entitlement will have to be borne by the beneficiary.

7. a) In case of non-emergencies, the beneficiary shall have the option of availing specific treatment/investigation from any of the empanelled hospitals/diagnostic centre of his/her choice (provided the hospital/diagnostic centre is empanelled for that treatment procedure/test), after the specific treatment/investigation has been advised by CGHS/other Government Specialist / CMO i/c and permission is obtained from competent authority.
